

## THE SPIRIT OF SUMMER...RUM

There are a number of new rums to be found on bar and liquor-store shelves, including Oronoco, Agua Luca, and 10 Cane. We asked rum expert Edward Hamilton, author of *The Complete Guide to Rum* (Triumph Books, \$15), to weigh in on pours old and new, giving us a good introduction to everything that rum can be. We like to think of it as Rum 101. Just turn the page to start your lesson. — Jenna Schnuer
